Find a Cat

Instructions

1. Copy the 'Practical' folder from the outbox to your Documents folder. Change the folder name to your last name.

2. Recreate the site pictured above as closely as you can.

Your site should consist of 4 pages:

Index (shown above), Cat Health (blank), Cat Accessories (blank), Find a Cat (blank)

Although three of the four pages will be blank, they should be properly linked to the homepage (index).

Required images are available in the 'images' folder.

3. When finished, remember to copy the entire folder (lastname) into the inbox.
4. The inbox will be emptied at the end of the exam. **No submissions will be accepted after that time.**
